Note from one of Nancy Hahn Fischer's daughters

Friends of Nancy's -

If you have not heard, I wanted to share the following information with you about my mother. Her husband, my sister and I want to thank you all for the love and support you have shown her throughout her life. Her joy was a reflection of her love of God.

FISCHER, Nancy Hahn, Biblical Tour leader and joy-filled wife, mother and grandmother, passed away on January 3, 2017 at The Leaves Christian Science Nursing Facility in Richardson, TX.

Mrs. Fischer was born in Chicago, Illinois and graduated Valedictorian from Woodstock High School in 1957. A member of the Kappa Delta Sorority of Coe College in Cedar Rapids, Iowa, she graduated Valedictorian from Coe College in 1961 with a BA in English and music. She then went on to teach English at Barrington High School in Illinois. It was at this time that she met her husband, Noel Fischer.

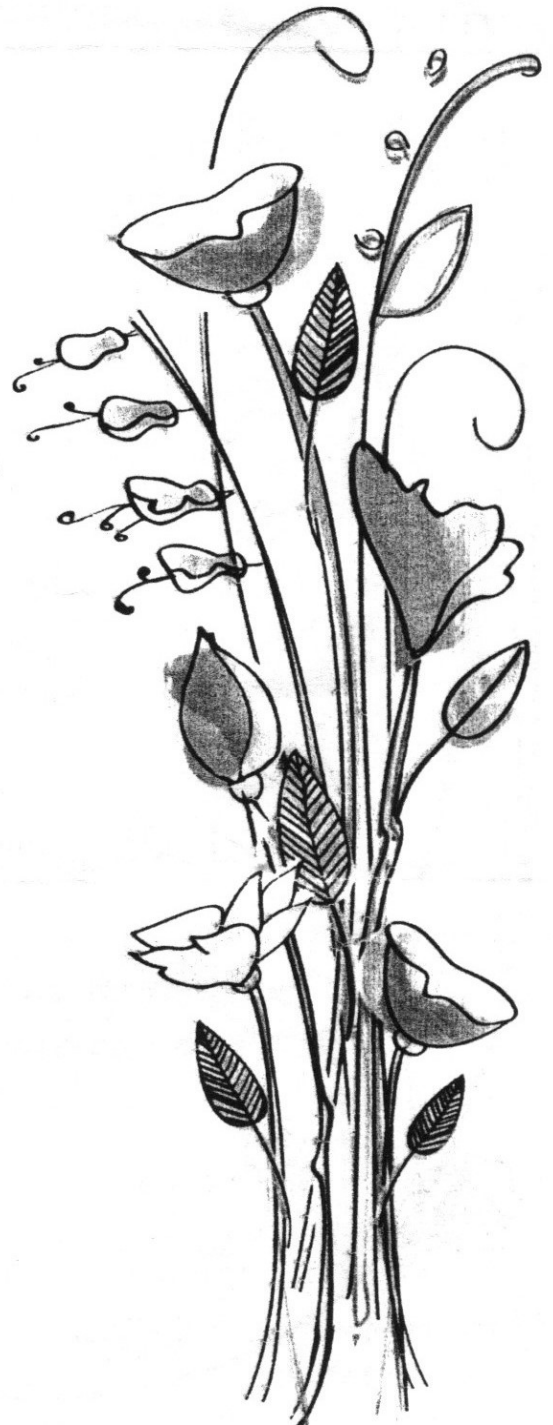

Their marriage of 52 years was founded upon a strong commitment to Christian Science. Nancy and Noel moved to Boston, MA in 1968 where Nancy worked as an Advertising Representative at the Christian Science Monitor. Their daughter, Lisa, was brought into the family in 1969, at which time Nancy temporarily retired to become a full-time mother. Their second daughter, Leslie, joined the family in 1971. Nancy and her family moved to Richardson, Texas in 1972, where Nancy worked in various bookkeeping and office management positions from Hight and O'Boyle Law offices to The Leaves Christian Science Nursing Facility. Nancy grew in her love for the Bible and went back to her teaching roots by leading Bible studies. Nancy soon brought her love of the Bible to life, and she began her 20-plus year career of leading tours to Israel, Jordan, Greece and Turkey with Carroll-Fischer Bible tours.

Nancy has been a clerk, Sunday school superintendent and teacher, board-member, and second-reader at her church. She also wrote articles on spiritual healing for The Christian Science Sentinel. Nancy was an active member of the Allen Area Tea Party as well as a board member of Dallas' Neighborhood Service Council. She enjoyed getting to know people, had a smart-wit, loved music and the arts, and made many loyal friends along the way.

She is survived by her husband, Noel Fischer; her two daughters and their husbands; four grandchildren; one brother; seven, dear nieces and nephews; and extended family.

There will be a memorial service at The First Church of Christ Scientist, Richardson, 100 Saint Luke's Drive, (NE corner of Belt Line Rd. and Ing Rd.) on Saturday, January 14 at 10:00 a.m. In her honor donations may be made to The First Church of Christ Scientist, Richardson or The Leaves, Inc. (Christian Science nursing facility – www.theleaves.org) at 1230 W. Spring Valley Rd, Richardson, TX 75080.
